

The background of the top half of the image is a dark, out-of-focus photograph of emergency lights. There are several bright, circular bokeh lights in shades of red, yellow, and white, suggesting the presence of police cars or fire trucks at night. The lights are scattered across the upper right and center of the frame, with some appearing as elongated streaks due to motion blur.

# Thank you for your dedication and service.

You're there every day. On the scene. At the incident. Risking everything to help save others. Appreciation for your hard work and courage goes too often unexpressed. Thank you for everything you do.
